

500-50-5 PARTNERING PLAN

Yes, I/we would like to partner with Cornerstone Policy Research by becoming part of the 500-50-5 Plan. We are excited about giving \$50, per month, along with hundreds of others, to help keep Cornerstone and our historic, traditional family values strong.

I/we commit to start giving \$50 per month, or to continue giving at our current level of \$50 or more per month, to allow the vital work of Cornerstone Policy Research to continue in New Hampshire.
