Dear Voter and Friend of the Family,

CPR-Action presents our vote scorecard for the First Session (2007) of the 160th General Court of the State of New Hampshire. This scorecard reports significant votes cast on a variety of issues affecting the family.

This important tool reflects how your elected officials voted on some of the most important issues affecting our families. The votes recorded here are only a few of the many hundreds of votes the members of the General Court cast in 2007. Keeping this in mind, we tried to select the most clear-cut, pro-family and anti-family votes of this session. The information was gathered from the voting records which may be viewed at <http://www.gencourt.state.nh.us/ie/rollcall/rollcallsearch.asp>.

The current General Court attacked the natural family at every turn. Over and over they said you were not important. They denied you the people the opportunity to vote on the definition of marriage. They repeatedly voted against your constitutional right to parent your children by repealing the Parental Notification Law, by denying school choice, and by removing your authority to determine if your child should stay in school.

CPR Action is committed to preserving, promoting and protecting your family, your faith and your freedoms in New Hampshire. We will continue to watch the legislative activities in Concord. But, we need your help. Reporting on the votes is only the beginning of the legislative process.

We are dependent upon you to be informed and active constituents who work with us by fighting for your values. That means being registered to vote and going to the polls for special elections and the general election. We need you to contact your legislative member(s) on pro-family issues. As an active, informed citizen, you are the greatest asset in the battle to preserve, promote and protect New Hampshire families. The work can not be accomplished without you.

Thank you for caring. Thank you for getting involved. Thank you for participating in the process.

Karen Testerman
Executive Director

P.S. To locate your legislative districts, first locate your town on pages 1-3. Then go to the corresponding senate and representative district (and county) to see how your legislators represented your values.
