

2019-2020 FAMILIES FIRST LEGISLATIVE SCORECARD

About This Scorecard

Cornerstone's 2020 Legislative Scorecard provides the detailed legislator voting information we use to assess representatives against our core issues. This year's scorecard was based on 16 roll call votes in the House from the 2019-2020 legislative session. Each vote is weighted equally, and both a raw score as well as an overall score (adjusted for attendance) is provided.

To help supporters evaluate legislators based on the issues that matter most to them, the scorecard also arranges the votes into four issue-based categories and provides a category grade for each representative.

A Note on NH Senate Scores

Due to COVID-19, there were only five recorded votes in the Senate on Cornerstone issues this legislative session. Therefore, a record of those votes is provided, but a score is not offered because the small number of scored votes made it impossible to properly represent the Senators' stances.
