

2021-22 FAMILIES FIRST LEGISLATIVE SCORECARD

About this Scorecard

Cornerstone’s 2022 Legislative Scorecard gives detailed information on the voting records of state legislators. We use these scores as one component in an assessment of how well legislators align with our values. We based this year’s scores on a total of 11 key House votes and 7 key Senate votes.

In this scorecard, a score “Not Adjusted for Attendance” grades legislators on a combination of their votes and attendance. A “Score Adjusted for Attendance,” however, grades only those votes for which legislators were present.

We urge you to look closely at your lawmakers and how they voted this year. You can find your state representative [here](#) and your state senator [here](#). If you have any questions about the scorecard, please feel free to contact us at cornerstone@nhcornerstone.org.
