

2023-2024 FAMILIES FIRST LEGISLATIVE SCORECARD

About This Scorecard

Cornerstone’s 2024 Legislative Scorecard provides the detailed legislator voting information we use to assess legislators against our core issues. This year’s House scorecard was based on 11 roll call votes in the House from the 2023-2024 legislative session. Each vote is weighted equally, and both a raw score and an overall score (adjusted for attendance) are provided.

To help supporters evaluate representatives based on the issues that matter most to them, the scorecard also arranges the votes into four issue-based categories and provides a category grade for each representative.

This year’s Senate scorecard was based on six roll call votes in the Senate. Given the smaller number of votes scored, only an overall score is provided, as well as a breakdown of how each Senator voted on each bill scored.

A Note on HB 294

HB 294 was a committee vote only. Our scoring of HB 294 does not affect the scores of representatives who were not on the relevant committee.
